WHO WE ARE ?

Starting of a local soccer ball manufacturing unit by two brothers in 1982 become the foundation of Tempo. With the passage of time, learning turned into knowledge and experience in 1990 Tempo started making soccer balls for foreign clients directly. This was a turning point which led Tempo to where it is now. Innovation and diversification being at the core of Tempo's culture, a strong need was felt in 1996 for a Research & Development laboratory with the latest equipment for assuring continuous innovation and better quality. In 2001, a major addition was made in Tempo's portfolio and its management. Tempo's strategic team analyzed a great room for sportswear in the market and that's when a specialized manufacturing unit for sportswear with latest machinery and tools was set up by Tempo. The third brother currently CEO of the company also joined Tempo. Later on, in 2012, second generation of family entered into business and a good market potential for fitness and boxing equipments was accessed. Tempo proudly launched its own fitness until with the necessary equipment. Today Tempo is supplying numerous fitness items to different countries and brands around the globe. Today Tempo serves some of the leading brands of soccer balls, sportswear and fitness items. With growing demand and specialization, a need for capable and technical staff was felt. Tempo is pleased to stay that its family has grown to become a large as 250 in house employees and almost 1500 stitchers to work for Tempo in Tempo's designated stitching centers. The vision of Tempo's founders and the cultures inherited is to sustainably grow the business operations by critically analyzing market gaps and fulfill these gaps. Customer service is adopted as the basic norm and satisfying the customer's needs are prioritized. To prioritize the customers and provide them with best possible service Tempo has divided it's operations in 3 Sub-units i.e. Tempo Sports for Soccer Balls & Sportswear www.temposports.com Tempo Fitpro for Fitness and boxing equipments www.tempofitpro.com. Tempo aims to achieve 100 percent customer satisfaction and strongly believes in a "no-compromise in quality" policy. Throughout this journey Tempo was keen to comply with all the necessary certifications to further endorse its expertise and has been privileged to be certified for
